

Trinity Academy Carlton Mill

Uniform Policy

When students attend Trinity Academy Carlton Mill they are expected to achieve standards of excellence in all areas of academy life including appearance, therefore, it is important that a smart uniform is worn. It is hoped that it will instil pride, support positive behaviour and discipline and encourage identity with and support for the academy ethos. A key reason for the academy uniform is to ensure students of all races and social and economic backgrounds feel welcome and protect students from social pressures to dress in a particular way.

Students at the academy are expected to wear correct uniform at all times. When uniform is worn inappropriately or incorrect pieces of uniform are worn, appropriate sanctions will be put in place.
